Recommendation for Returning Junior Counselor

Junior Counselor Name: _____

Oak Hill Christian Service Camp strives to promote Christ-like qualities in all of our staff and volunteers.

All staff and volunteers that interact with our campers are expected to be:

- Spiritual leaders
- Setting an example in their speech and actions **which includes being actively involved in a youth group, church service, and/or Bible study during both camp and non-camp seasons.**

As a person with direct opportunity to observe the necessary characteristics, attitudes and behaviors in action, I verify to the best of my ability that the student listed above meets the requirements to serve in the Junior Counselor role at Oak Hill Christian Service Camp for the upcoming camp season.
